October 2020

VISION: The Board of Directors of the HHCA envision a community that offers an inspiring lifestyle and quality of life and is a desirable place to live and enjoy the benefits of family, friends and community.

MISSION: Our mission is to enhance and preserve the quality of life and sense of community through effective and efficient management of the association and to support initiatives that benefit the greater good of the community.

FROM THE PRESIDENT

The Civic Association is at a crossroads without members who are willing to step up and spend a year in office and on the Board of Directors. We are having a board meeting with the HHYC on October 6th at 7 PM to discuss what will happen to the civic! We have put out emails to all civic members but have only heard from a few! We need to fill the board for 2021 to keep it going! The lockdown has kept us from renting the hall which is our major source of income so we need to make a decision on how we can keep the civic open or close it up! If anyone has a idea what we can do please contact me at 941 2681734 . We need a full board to keep going!

Thanks, President Jim McBride

EXERCISE CLASSES

Come and join our "Get Fit" exercise classes (Mon, Tues, Wed, Thurs & Fri.) 9:00-10:00 am at the Harbor Heights Civic Center! We are also starting an evening class on Wednesdays from 5-6PM. Classes include a mix of Strength- Toning- Cardio- Pilates and Yoga using a variety of fitness equipment. Safe distancing practiced (6-8 feet apart). All equipment is cleaned & sanitized before & after all classes. Sanitizer and wipes are provided. Please contact me directly for additional details and sign-up at Kdpike@att.net

The need for members and volunteers to get involved and accept a board position within the Harbour Heights Civic Association (HHCA) could not be stronger than it is right now. HHCA leadership positions are voluntary and elected annually as permitted through the community approved By-Laws. HHCA has been led by the same individuals for the last six to seven years. New personnel are needed to step in, accept and execute these required roles to maintain our community center for all of us to use and enjoy as we have for the last 60 years.

The outgoing Officers, leaders and volunteers will continue to assist as needed for future events and tasks. They will also ensure that proper turnover happens for any personnel agreeing to take a voluntary position. The current board members have invested many hours and raised funds towards the improvements of the association i.e., new appliances, tables and chairs, sidewalks, gutters, paint (inside and out), bathrooms, etc. and we have never looked better!

New volunteers will need to be heard from, voted in and activated by January 2021. If these requirements are not met, the Harbour Heights Civic Association will have no choice but to close its doors for good. If we do not receive the necessary support, the Harbour Heights Civic Association will be gone forever.

Your communication to others within our community who do NOT receive the Beacon newsletter could be all it takes to keep HHCA from shutting its doors. We are asking everyone for their help and support in these troubled times.

People interested can obtain information or volunteer by contacting the following personnel at anytime:

GARDEN CLUB NEWS

The Garden Club will be holding its first meeting of the year on Friday, October 16th at 11 AM. Due to the Covid virus the meeting will be held out of doors at the pavilion at the Harbour Heights Park. The meeting will be held to set the agenda and plans for the club for this year. All members are welcome and anyone with an interest in gardening in this Florida climate is invited to attend. Hope to see you there!

SOUND PLANNING ENHANCES PROPERTY VALUES

HARBOUR HEIGHTS IS A REALITY, NOT A PROMISE ON PAPER.

It is a living, vital community built on a progressive plan designed to give its residents peace, happiness and security.

It is a wholly financed project because the responsible, competent organization behind Harbour Heights has made it financially secure.

Located on the banks of Peace River just five miles from the heart of downtown Punta Gorda, it has now been developed to the stage where private homes have already been built, and others are being planned for future residents.

This is what has been done:

More than half the streets have already been graded and base-surfaced.

Excellent drainage system in addition to natural drainage facilities eliminates problems of overflow.

Utility lines are spreading as homes are built.

A modern, beautifully furnished clubhouse on the banks of Peace River is now open to all Harbour Heights residents. Docking and recreational facilities are installed and in use. A huge swimming pool is now completed.

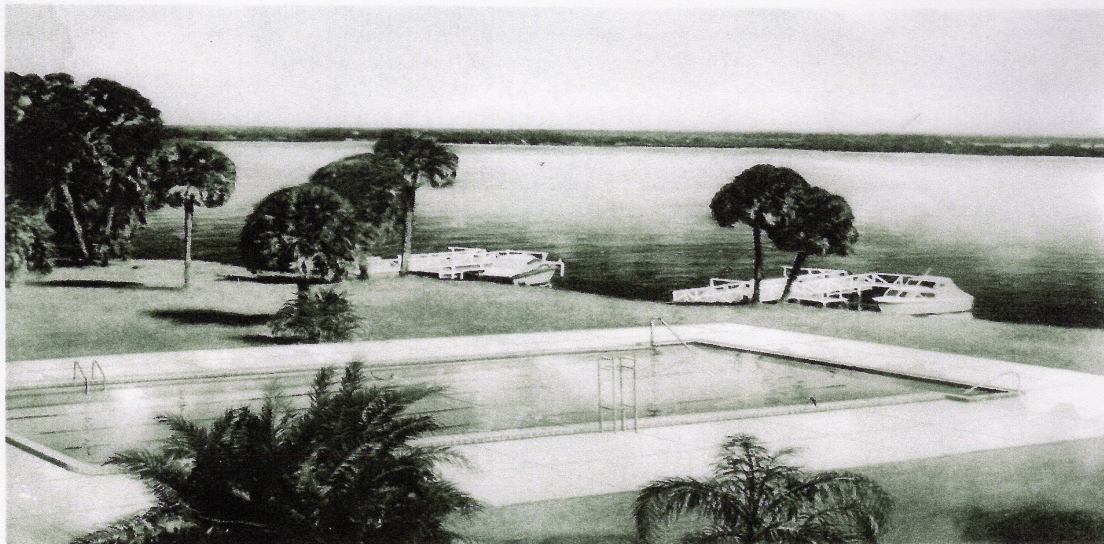

- A stylishly pleasant new air conditioned motel has been built to serve the needs of prospective home owners and guests.
- A grocery market supplies immediate needs; a restaurant serves excellent meals at moderate prices, and the town hall is active and open to all residents.
- Other business, educational and religious advantages are presently available just five miles away in Punta Gorda.
- Harbour Heights is being built as a residential community in a residential area with a small section zoned for business to serve community needs.

To date many homes have been built and are now being occupied by people who have come, seen and believed in the tremendous future awaiting them there.

Many other homesite owners are planning to build in the near future. Over 3,000 homesites have already been purchased. Most will have lovely homes on them . . . others are presently owned by people who bought for personal investment purposes and are already impressed with the increased value of the land . . . the future will indeed be profitable.

OLYMPIC SIZE SWIMMING POOL

for the exclusive use of Harbour Heights residents and homesite owners

You will be greatly impressed by this wonderful swimming pool . . . Fresh filtered water 20-foot patio with luxurious furnishings . . . Elaborate Bath House with all modern conveniences . . . Adjoining Snack Bar . . . Life Guard in attendance. Perfect swimming and bathing recreation for every one from 5 to 105.
